

Set the tone

GENDER SAFETY AT WORK

Commit to cease gender-based violence
and guarantee a safe working environment for all

SIGN THE CHARTER OF ENGAGEMENT TO:

Raise awareness of gender-based violence (GBV)

Combat stereotypes and social norms in the workplace

Undertake actions to create a discrimination-free work environment

Collaborate with other stakeholders to make the labour market a safer place

Implement policies and protocols for all employers and employees

Promote an egalitarian workplace

Signing the Charter gives enterprises the opportunity to join the **European Alliance** members in engaging to the network's activities and actively collaborating with other members
